On Shared-Value Properties of Painlevé Transcendents

CMFT 7 No.2 (2007), 477–499. [ISSN 1617-9447]

Abstract. In this paper, we study some shared-value properties of the first Painlevé transcendents by applying its distinctive value distribution. One of the results is verified also for the second and the fourth Painlevé transcendents.

Keywords. Painlevé equation, α -Yosida function, Shared value.
