**A Jentzsch-Type-Theorem**

CMFT 8 No.1 (2008), 199–202. [ISSN 1617-9447]

**Abstract.** Suppose that  $\sum_{\nu=0}^{\infty} a_{\nu} z^{\nu}$  is a power series with radius of convergence 1 and denote by  $s_n(z) = \sum_{\nu=0}^n a_{\nu} z^{\nu}$  its partial sums. In this paper, we investigate properties of the mapping  $w = s_n(z)$ .

**Keywords.** Power series, distribution of zeros, Jentzsch-theorems.
